

Updated Guidelines (From 19th July)

We have worked hard to put safety measures in place at our facility in line with Government and UK Screen Alliance Guidelines.

We have implemented several precautions so that we can provide a safe and enjoyable environment for staff and guests.

Some of these measures include:

- Face coverings are not mandatory to wear within any part of the building.
- All breakout areas and bars are open to guests within their allocated booking time.
- Drinks and food are available through pre-order only. Orders cannot be amended within 1 working day of booking.
- Hand sanitiser stations at the building's entrance and by all touch points.
- Regular cleaning of surfaces, touch points and seats throughout the day.
- NHS Covid-19 Test and Trace QR poster displayed throughout the building.

All current measures that have been put in place will be reviewed as the Government and UK Screen Alliance guidelines are updated.
